

### **Attention Scrip Kroger Cards Users:**

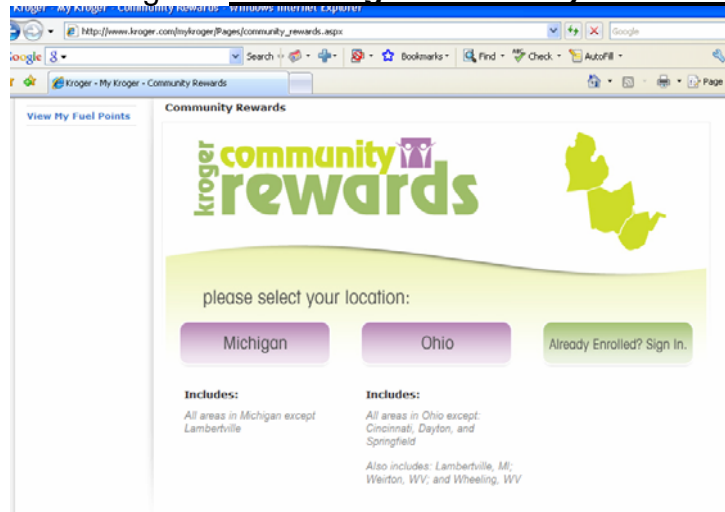

Kroger's has changed the program and starting May 1<sup>st</sup> you will no longer receive Scrip credit by loading funds on your Kroger Cards. GA Scrip has registered and been accepted into the new Kroger Community rewards program. Unfortunately, with this new program, we are not guaranteed a set percentage of profit on our purchases. Our profit will be based on the percentage spent by Guardian Angels in respect to all other organizations registered in the program. However, we are still able to track the specific users registered with Guardian Angels and are able to offer tuition scrip credit based on what we do receive. Payments will be received each quarter and not on a monthly basis.

One other notable change to the program is that we will no longer receive credit for Fuel, Alcohol, Tobacco, and Gift Card purchases. Services (i.e. Western Union, Money Orders, etc.) are also exempt.

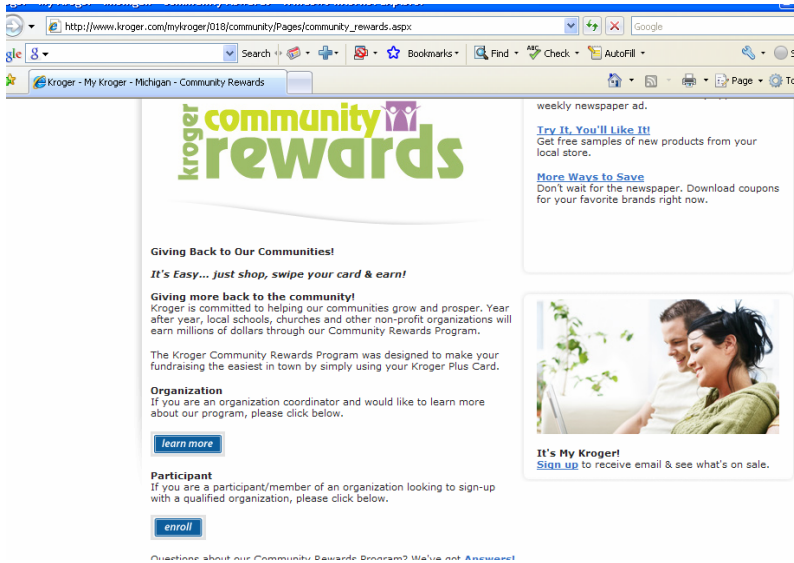

If you would like to still receive Scrip credit for shopping at Kroger, you will need to register your Kroger Plus Card with Kroger Community rewards. This program only works with the Kroger Plus Card and you will have to swipe the registered Kroger Plus Card or use the phone number associated with the registered Kroger Plus card in order for the purchases to count. If you don't currently have a Kroger Plus Card, you will need to obtain one. Please follow the directions below to register your Kroger Plus Card to Guardian Angels.
